ophelia perkins faces death s reapers every day she never thought she d fall in love with one of them as an oracle ophelia divines the future and sometimes there is no future for the people she fights to keep alive in her job as a paramedic those countless lives she s saved never seem to outweigh the devastation of losing a patient one night one patient she can t bear to lose and ophelia makes a deal with a reaper save this life and in return she ll trade him her own with the deal struck ophelia walks each day with a reaper by her side and waits for the scythe to fall only to find out this reaper is more than just an agent of death he s the man she wants as he happily ever after

departing from a persisting current in western thought which conceives of time in the abstract and often reflects upon death as occupying a space at life s margins this book begins from position that it is in fact through the material and perishable world that we experience time as such it is with death and our encounters with it that form the basis of human conceptions of time presenting rich interdisciplinary empirical studies of death rituals and practices across the globe from the us and europe asia the middle east australasia and africa taming time

timing death explores the manner in which social technologies and rituals have been and are implemented to avoid delay or embrace death or communicate with the dead thus informing and manifesting humans understanding of time it will therefore be of interest to scholars and students of anthropology philosophy sociology and social theory human geography and religion
